Providing your e-mail address allows the Louisiana Department of Education to easily and automatically communicate with you about your child's home study program approval status. With your e-mail address, the Louisiana Department of Education will automatically e-mail you: 1) a confirmation letter once you submit your application; and 2) your official approval letter once the Louisiana Department of Education reviews and approves your application. If you do not provide your e-mail address, then Louisiana Department of Education will mail an official approval letter to you within 1-2 weeks of the application's approval.

I do not want to provide my e-mail address and do not want to receive confirmation/approval letters via e-mail.

Step 4: Immunization Assurance Statement

If your child is 11 years old, please check one of the following to denote that you have satisfactory documentation addressing meningococcal disease.

- I have medical records for students who are 11 years old that denote proof of immunization against meningococcal disease
- My child shall not be immunized against meningococcal disease for religious or other personal reasons
- I have a written statement from a physician stating that the immunization is contradicted for medical reasons, including shortage of vaccine supplies.
- My child is not 11 years old.**

Step 5: Disclosure of Information

The Family Educational Rights and Privacy Act (FERPA), 20 USC 1232g, restricts disclosure of information in students' education records. Pursuant to FERPA, a student's parent or legal guardian may inspect the student's education records. FERPA allows a student's parent or legal guardian to request that an educational agency amend the student's education records if the records contain information that is inaccurate, misleading, or an invasion of privacy.

By checking this box, I am notifying the Department not to disclose directory information without prior written consent.
